

Entry Options

On-Line Entries

In order to make entering our trials easier, we can now accept on-line entries. Our on line entry service is provided by Trial Toaster. Go to www.trialtoaster.com and use event code 2019232107 to enter via the on-line entry service. During the first 48 hours 20% of the total entries (per day) may be accepted on-line. Your preliminary confirmation will be sent by Trial Toaster. Usually you will not receive a confirmation from the Trial Secretary, until the final confirmation after closing. Any requested changes can not be processed until after closing.

Special Entry Submission Option

We will not have access to our mail for several periods during the open period for these trials. Exhibitors are encouraged to submit their entries electronically. We suggest using the accompanying interactive entry form which allows an electronic signature. Email your entry to trialsec@perryagility.com. Your entry will be conditionally accepted pending receipt of your check. Your check, payable to JMTS, should be mailed at the same time as your entry is submitted. Please be sure the owner's name and the dogs call name is indicated on the check or via an attachment. You do not need to send your entry form again. We have had reports the interactive entry form may not work on tablets, e.g., ipads.

A printable entry form is also provided and can be mailed as usual. Note that there may be a delay in confirming snail mailed entries. Online entry via TrialToaster will also be available for entries during these periods.
