### WHO SHOWS AT IABCA SHOWS?

Approximately 75% of the dogs are AKC recognized breeds, with many of the dogs already champions of record. The majority are breeder/owner handled. We also see many rare breeds each weekend, often including specialties.

### NEW FEATURES in 2015

- Junior Handler are the future of dog shows. In order to encourage exhibitors for our next 25 years all Junior Handler seminars and competitions will always be free.
- CGC testing available at many shows.
- IABCA Rally available at more shows this year.
- Medals awarded for Best of Breed and Group wins.
- Door prizes.
- People's Choice BIS award.

### WHY SHOW AT AN IABCA SHOW?

- All Dogs receive **WRITTEN CRITIQUES** from top AKC & CKC judges.
- Relaxed & friendly atmosphere. Talk to the judges, ask questions.
- International IABCA Titles with judges licensed from multiple countries (USA, Canada, Columbia, Sweden, Australia, Germany, and more).
- Dogs are judged individually to the breed standard for their title points, not against other dogs (dog's can earn titles even if they are the only dog in the show of their breed).
- Two or three judge panel selects each Best in Show category.

We have 4 shows each weekend (each show under a different judge). Each show closes to Regular entries at 6PM Pacific, 7 days before the show. Regular entry fee is \$31/show. Late entries will be taken until 6PM of the Wednesday 3 days before the show (late fees apply). Rosters and judging schedules will be available online.

Online entry options are available at [www.iabca.com](http://www.iabca.com) (click on "Online Show Entry" on the Right). For entry questions please email us at [info@iabca.com](mailto:info@iabca.com) (or call our office).

The Atlanta KC supports the Canine Health Foundation

[View the 2014 AKC Canine Health Foundation Annual Report](#)

Our 2014 Annual Report shares the success of all who have been essential in the AKC Canine Health Foundation's funding of canine health initiatives. Our research seeks to find answers to health problems faced by all dogs, and to provide solutions for more effective treatments and techniques for earlier prevention. Without your support, this work would not be done.

Your support in 2014 led to \$1.5 million in newly approved canine health research grants. These grants are focused on health concerns that impact all dogs and expand the breadth and depth of our research portfolio. To learn more about our ongoing research projects, access our [Grants Portfolio](#).

We hope we can count on your continued support of our work with a [gift that will benefit the health of all dogs](#).

2015 marks the 20th anniversary of the AKC Canine Health Foundation -- a milestone we could not have reached without your partnership. We appreciate your commitment to helping all dogs live longer, healthier lives, and we look forward to you being a part of our mission for many years to come.
