Cards and Flowers

Dot Bates is recovering from broken ankles and is reported in rehab at Salude. She's had a tough time and we wish her the best. Dot is one of our longest continuous members, from 1954! She has worked with her husband, Neil, and both were part of the old time movers and shakers at every event for the club. They certainly know a lot of our history! Dot was most recently our judges selection for Non Sporting. 20Lambets Way, Alpharetta, GA 30005

Lana Dorn is recovering from Covid-19 and while not having to be hospitalized, has had ongoing challenging after effects. Tim Dorn is still recovering from a concussion and neck injuries from an accident that happened over a year ago. It's been a very hard year for them, so send them a little cheer, 55 Peggy Meadows Way, Douglasville, GA

Deepest sympathy to Candy Wright as her father passed away recently only a few months after her mother passed away. 3683 Barbara Dr., Douglasville, GA 30135.

Judges' Selection Committee 2020-2021

Please contact committee members from the appropriate groups to suggest judges for consideration by the selection committee which meets several times during the year. Please remember not everyone "suggested" can be placed on a panel due to a variety of reasons, however, club members input is given priority. We do work with our "sister" cluster clubs and also have a policy not to hire the same judge for the same show two years in a row. Since we do share judges with the other cluster clubs, we tend to try to hire judges approved for several groups, if possible, to control expenses through judge sharing. Members provisional for any breeds are also given a priority as well as suggestions from specialty clubs for their supported entries.

Show Chairman - Kathleen Steen - 770-751-0311 - kathleensteen@bellsouth.net

Herdling - Dr. Carmen Battaglia - 770-998-3679 - carmenbattaglia@gmail.com

If anyone in our club is newly provisional in new breeds or thinking you may be soon, you must let Kathleen Steen know in order to be included in a future panel. The new judges lists are not necessarily being monitored, just an FYI reminder. If you know of someone who may be provisional in their first group, non member, etc, to recommend, also let Kathleen or the group leader know as they are always seeking provisional judges for AKC requirements.

The American Kennel Club Launches AKC Canine And Me Program

RALIEGH, NC – The American Kennel Club, the world's largest dog registry, leading industry authority and advocate for dogs, is proud to continue their extensive commitment to education with the launch of the AKC Canine and Me program. This new virtual program was created by the AKC Education Department in an effort to create ways to further involve young people in activities with their dogs.

The AKC Canine and Me Program is available for teens 13 and older and young adults. Program participants will be provided with a brief introduction to each AKC sport and event and encouraged to try the beginning elements of that activity. Participants will need to record themselves and their dogs completing the skills and then upload their videos through the Cinebody app, where AKC Public Education staff can keep track of their progress.

"The goal of this program is to get teens and young adults outside and active with their canine companions while also teaching them the fundamental skills needed to get started in various AKC sports," said Ashley Jacot, Director of AKC Education. "We want to not only introduce new people to the wonderful world of AKC, but also get those already involved excited about all dog sports by making the experience easy and fun for both dog and owner."

To learn more about the AKC Canine and Me program, visit: <http://www.akc.org/public-education/akc-canine-and-me/>

CALLING ALL HISTORY BUFFS!

The club needs anyone interested in being on the History Team to help go through club records and memorabilia and save the important documents in an organized way for future club reference. We might also set up a history display corner.

We have an upstairs room at our building that is air conditioned where we can spread out and work and it should be fun going through the 60's and 70's, etc., boxes and remembering old shows and great times in the club history.

This will take multiple sessions, I'm sure, so there will be plenty of opportunities to come help as our time and schedules allow.

Contact Ginger Aldrich if you are interested in taking a trip down memory lane!

Owner Handling Tips From the Center of the Ring — Sandy Weaver

Are you curious about dog shows? Maybe you've seen them on TV and thought, "I could do that!" Maybe you're an owner/handler who's been at this for a while and are looking to up your game before the shows resume.

*Are you ready?
Are you sure?*

This course is for you, whether you've never shown or have been showing for years. If you want to improve your chances of winning in the ring, you not only have to have a good dog, you have to have a desire to learn and improve your own skills. This course is designed for you, to help you understand how you and your dog stack up from the judge's point of view, so you can make the very best use of your time, effort and entry fees!

In this course, there are 6 segments and no dogs at all. Run time is about an hour and 20 minutes and you can go at your own pace, skip forward move back and access the course whenever and wherever works for you. This will be the oddest handling class you've ever attended and also one that will give you some eye-opening insights into **why professional handlers win, why owner handlers should win more and how you can up your game to level the playing field.**

For less than what you'd pay in entry fees for a weekend at the shows with your dog, you'll get information that'll help you have success for the rest of your life! Sign up, settle in and then take what you've learned and win with it.

I look forward to seeing you in the ring and in the ribbons soon!

ANNOUNCING THE ADDITION OF RALLY INTERMEDIATE TO THE AKC RALLY VIRTUAL PROGRAM

The AKC Rally Department is excited to announce the expansion of the AKC Rally Virtual Program to include the Rally Intermediate class. Rally Intermediate is the next level of AKC Rally above the entry-level Rally Novice class. The Rally Virtual Program was announced three months ago and the positive response to it has been tremendous.

As with Rally Novice, the Rally Intermediate competitor sets up a pre-designed AKC Rally course, records the team's performance and submits it to AKC. In turn, AKC will assign a pre-selected AKC Rally Judge to virtually review and score the team's Rally performance.

Rally Intermediate is open to all dogs six months of age and older that have earned an AKC Rally Advanced (RA) title.

There are five pre-designed courses published on the AKC website for the exhibitor to choose from. The exhibitor will setup the course according to the Instructions provided and with answers to the commonly asked questions in the FAQ document. They will video the performance, upload the video to their personal YouTube account, set the required YouTube viewing options, and submit the video link with the online entry form and pay the fee electronically to AKC.

Once the entry form is received, the video link will be assigned to a judge for review. All qualifying scores will be recorded on the dog's AKC record and applied toward the three required for the Rally Intermediate (RI) title.

The virtual Rally program is planned to end at midnight **DECEMBER 31, 2020**, and all video submissions must be received by that date and time. We are excited to offer this virtual option to our Rally Intermediate exhibitors!

See akc.org/ AKC Rally Virtual Pilot Program

If you have questions, please email us at Rally-VRE@akc.org.

Wishing you lots of fun in your Rally runs!

Sincerely,
AKC Companion Events Team

Why Dogs Make the Best Companions — Sid Evans, Southern Living

There's never been a better reason to get a dog.

When my kids were little, they used to come running down the stairs screaming, "Daddy! Daddy!" every time I came home from a day at the office. They don't do that anymore. For the last few years, I've been lucky to get so much as a "Hey, Dad," from one of my frequently surly teenagers. But Rocky, our Jack Russell terrier is always waiting expectantly by the window. Sometimes he comes bounding up the stone walk that leads to our driveway and other times he's so excited to see me he spins in circles.

Granted, he's mostly eager for someone, anyone, to throw him a ball, but there is nothing like having that burst of affection at the end of a long day. It makes my heart swell every time, which is probably why I put up with all the challenges, expenses and inconveniences of owning a dog (of which there are many). Rocky is more than an idle companion. He's a family member and his greatest trick is that he seems happy to see everyone in our clan, not just me. When my wife comes home from so much as a trip to the grocery store, he actually bares his teeth and smiles.

For the past two months, as I've sheltered in place at home, our relationship has blossomed even more. Nowadays, he's usually curled up in his dog bed at the foot of my desk, and he always game for a walk, a run, or a quick game of fetch. I think it's fair to say that I've spent more time with Rocky than I have in years and we're both okay with that. I do miss those exuberant greetings at the end of each day, but whenever I start working at the office again, I know he'll be here waiting for my car to turn into the driveway, constant as ever.
