Waiting for fun...

A medium-sized dog with brown and white speckled fur is sitting on a grey concrete floor. The dog is looking upwards and to the right with a hopeful expression. It is on a teal leash. In the background, there is a table with a blue cloth, a blue cooler, and some chairs. A person's leg in black pants is visible on the right side of the frame.

Sarah Lyall Reporting from the show in Tarrytown, N.Y.

There's some sharp fashion here among the handlers. A guy in a snug-fitting royal blue pinstriped suit; a guy wearing a jacket and plaid pants; a lady in a blinding purple sequined skirt suit, trimmed in turquoise. Maybe it's something about terriers, bringing out the creativity in the people?

IMAGERY

Did you miss our fun
Juniors event?

Did you
know
this was
created
by one of
our
Junior
members?

Meanwhile, in Perry's motor home area, there was calm, there was a storm, a tragic loss, and the promise of a rainbow.

Thank you to all the
members & friends who work
so hard each year to ensure
Atlanta Kennel Club's place
as the VERY Best Club in America!
