Judges' Selection Committee

Please contact committee members from the appropriate groups to suggest judges for consideration by the selection committee which meets several times during the year. Please remember not everyone "suggested" can be placed on a panel due to a variety of reasons, however, club members input is given priority. We do work with our "sister" cluster clubs and also have a policy not to hire the same judge for the same show two years in a row. Since we do share judges with the other cluster clubs, we tend to try to hire judges approved for several groups, if possible, to control expenses through judge sharing. Members provisional for any breeds are also given a priority as well as suggestions from specialty clubs for their supported entries.

The new judges lists are not necessarily being monitored, just an FYI reminder. If you know of someone who may be provisional in their first group, non member, etc, to recommend, also let Mary Ellen or the group leader know as they are always seeking provisional judges for AKC requirements.
